The HJR-32 rug from **HJR Rugs** is a revision of one of the company's more popular luxury pieces, and is made with Persian wool with a high-lanolin content, serving as a natural stain repellent.
www.hjrrugs.com

Designer Dorothy Casonas has created new fabric patterns for **Knoll Luxe**, each named after the location where it was woven, including Danube, shown here. Available in four colors, the new pattern brings warm texture to the window through the use of a wool boucle fill yarn. www.knoll-luxe.com

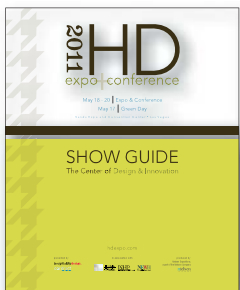

Maximize your exposure at HD Expo and reach out to product buyers and specifiers prior to their arrival at the show.
